FIT Faculty Fast-Track Admissions

Faculty Profile: Tavy Ronen

Professor Ronen has a Ph.D. in Finance from the Stern School of Business, New York University, and has taught classes such as advanced financial management and corporate finance. Ronen's areas of expertise include market microstructure,

credit markets, informational efficiency and the financial issues facing the fashion and related industries. Her connections to the fashion world have given Ronen keen insights into the need the industry has for workers who are creative but also have knowledge and skills in key business areas, including logistics and finance. She is the founding director of the Center for the Business of Fashion and the Business of Fashion programs at Rutgers Business School, which also include an undergraduate minor.

Each course is specifically tailored toward the fashion and beauty industries
