

MBA Concentration in Finance

Become a leader in finance decision-making

The **Finance MBA** at Rutgers Business School provides broad professional competence and skills to prepare students for careers in executive positions at banks, financial institutions and other firms. Close to the many financial institutions in New Jersey, New York City, Philadelphia and Washington, D.C., an MBA in finance from Rutgers connects students with excellent job opportunities with the best corporations in the northeast. On both the Newark and New Brunswick campuses, there are Bloomberg machines enabling MBA students to do security analysis, learn portfolio management, and understand the workings of the dealer markets for many financial securities.

Classroom to Wall Street: If you want to be prepared with the knowledge and savvy you need to succeed on Wall Street, the Rutgers Business School MBA concentration in finance is built for you.

*This program is offered in
Newark and New Brunswick*
